

WORKER'S COMPENSATION

Protect your business and your employees with our workers compensation coverage, which will help you manage the high costs associated with work-related injuries.

Eligible Business Classes

There are more than 650 eligible classes of business. The classes listed below are our target business classes, which typically do not require prior workers' compensation insurance.

- Beauty Shops
- Doctors
- Dentists
- Professional Offices
- Restaurants
- Restaurants with Delivery
- Retail Stores

The classes listed below are also eligible for coverage, but typically require prior workers' compensation insurance and may require further underwriting review:

- Auto Sales
- Auto Service
- Building Operations
- Contractor Tradesmen Excluding NYC and Chicago areas
- Convenience Stores
- Dry Cleaners
- Grocery Stores
- Gyms
- Health Clubs
- Hotels
- In-Home Domestic Workers
- Janitorial
- Machine Shops
- Manufacturing
- Schools (Private and Public)
- Social Clubs
- Wholesale Operations with Local Distribution

Unacceptable Risks

- Workers exposed to confined spaces, excessive heights or depths
- Excessively high concentration of employees in one location
- Occupational disease exposure
- Roofing, Trucking, Transportation or Tree-Trimming

Quoting

- To quote worker's compensation, simply select worker's compensation in the new quote dropdown on your dashboard or click the link when finishing a commercial auto quote on **NatGenAgency.com**. This will take you directly to the appropriate rating screens.
- A multi-policy discount will be available on the small business auto quote when placing the workers' compensation policy with this program.

Payment Options

Multiple convenient payment options offer small-business owners the flexibility they need.
